Reactive Polymers Ltd.: Reactive

Polymers Ltd. is one of the largest compos-

ite sofa manufacturing company in India. Established in 2001, having 130 employees, we cater to illustrious customers in India such as Godrej Interio, Hometown, Pepperfry, Flipkart etc.

Our motto is "Zero Defects in Products & Zero Effect on the environment". Our dedication to excellence is evident from the moment you step onto our premises. Since 2015, we've

maintained live, transparent QSD boards, ensuring daily accountability for every product. This rigorous self-governance is complemented by our ISO 9001 & 14001 certifications from TUV NORD, which we have upheld since 2011. Our commitment to lean manufacturing, through the 5S & 3M systems implemented in 2014, guarantees unparalleled efficiency and a consistent product. This meticulous approach was honored with the Business Excellence Award by CII in 2016-17. We don't just talk about quality; we measure and execute it every day.

ındocasa

Tropical Living, Timeless Style

Indocasa Furniture: At Indocasa Furniture, our mission is to craft distinctive teak furniture that stands the

test of time. We combine modern

European design with Indonesian craftsmanship to transform sustainable teak into timeless pieces. Headquartered in Jepara, Central Java—the heart of fine

teak furniture production—our factory is home to highly skilled local carpenters. Using refined European techniques, they produce high-quality furniture at competitive prices. With over 40 years of experience, we specialize in serving wholesale distributors and manufacturers, as well as producing custom export pieces. Our reputation is built on delivering exceptional teak furniture for retail showrooms, hospitality projects, and private residences worldwide. Indocasa stays ahead of design trends while maintaining durability and craftsmanship. Whether for hotels, resorts, restaurants, or homes, we provide reliable, long-lasting

products rooted in sustainability and style. We're proud to be the trusted partner for global clients who value quality, innovation, and timeless design.

Inviting: Distributors, Dealers, Online Traders, Architects, Wholesalers, Retailers, Franchisees, Interior Designers, Importers, Real Estate Developers.

Orange Box Design Studio LLP: Tradition Is Contemporary "Surround yourself with meaningful design." This applies, first and foremost, to our

curated collection. A mix of modern and artisanal pieces. There is something intrinsically whole and good about a simple object, made skilfully. At MERAB, ultimate elegance is a philosophy we adhere to. We are specialists in bespoke furniture and interiors creating a mix of handmade and artisanal pieces. We combine our passion for great design with our experience in joinery, metalwork, textiles and hand embroidery to produce crafted furniture and furnishings. Our curated collection embodies the perfect blend of functionality and elegance, meticulously designed and made to enhance spaces. As we look ahead to be a part of WOFX for the second time in a row, we remain committed to our authenticity and sustainability. We look forward to creating a long-lasting relationship with WOFX and other professionals and buyers.

Pavas Sharma

Archana Arts and Crafts: Eyda Homes began in India, shaped by the skilled hands of families who worked with cotton under sunlit skies and by stories that found their place between threads and time. This journey is a return to the soul of Indian craft and the handcrafted guidance passed gently from one generation to the next. Our Founder, Pavas Sharma, grew up alongside the loom, learning through various kinds of fabric patterns and lessons. His path was shaped by the steady guidance of his father and grandfather, where fabric felt like memory and work felt like utmost care.
