

Gateway to Global Trade

Worldex India - Your Gateway to Global Trade

We are one of the leading vertically integrated trade promotion companies in India and South Asia, offering complete package from concept to implementation. Our in-house teams have specialized functional expertise and domain exposure in the field of exhibition operations & management, trade promotion & marketing and on-ground production.

Incorporated in 2004, Worldex India is headquartered in Mumbai with a branch office in New Delhi. With over 20 years of global experience, we specialise in bridging the gap between suppliers and buyers by connecting them through our trade initiatives such as international B2B trade shows, summits, forums, buyer-seller meets and inbound & outbound trade missions.

We facilitate expansion of international trade networks and empower businesses to expand into new, emerging, and developed markets by building dynamic trade platforms that connect them with potential partners and explore international trade opportunities.

Worldex India – South Asia Consultant for Hong Kong Trade Development Council (HKTDC)

We Aim

	To provide the most robust platform for Indian entrepreneurs to transform their business by integrating them with global market through worldwide promotions and trade shows.
	To serve our industry stakeholders ethically with complete integrity and transparency by adopting best practices.
	To leverage our strong ties with our network and multipliers to foster strong business ties for stakeholders.
	To optimally use our global network to promote and expand trade and commerce across the world.
	To be a leader in the exhibition industry in South Asia by providing complete exhibition services and solutions.

Worldex India empowers businesses to access new markets through the dynamic HKTDC platform.

Established in 1966, HKTDC is a global force in connecting companies, particularly MSMEs, with international markets through exhibitions, conferences, and business missions. HKTDC organises more than 30 exhibitions in Hong Kong each year, forming 5 of the world's largest marketplaces and 11 largest marketplaces of their kind in Asia.

Worldex India leverages this powerful network, collaborating with various export promotion councils and trade bodies to facilitate participation of companies from India and South Asia in global trade fairs and HKTDC organized trade promotion events. Together, Worldex India & HKTDC connect businesses with potential buyers worldwide, offering opportunities to showcase products at targeted events, and benefit from our collective expertise in international trade.

Our Industry Partners

Our trade fairs, expositions and trade promotion activities enjoy the support of apex chambers, relevant trade and industry bodies, associations, chambers of commerce, export promotion councils and boards of investment across India and neighbouring South Asian countries so as to ensure the best possible B2B impact in terms of networking, buyer-seller meets and business interactions.
